

Our Values

Mission-Focused on Our Customers

Every day we showcase our personal commitment to preventing business disruption, demonstrating that An Attack On You Is An Attack On Us.

Growth

Organizational growth drives opportunities for personal and professional growth so we're on a mission to grow quickly and effectively as the Authority in Managed Detection and Response.

Continuous Innovation

We're committed to staying ahead of the innovation curve so our customers stay ahead of the threat curve.

Transparent Communication

We share results and business objectives openly to empower Team eSentire to be curious and act autonomously with strategic awareness and do the right thing.

Owning It

We step up for each other and our customers. We own it – which means we act with resilience and grit 24/7.

Teamwork

We operate with mutual respect, consideration, and foster inclusivity. We are better together – we win together and never lose alone.
